Acto[®] Baby Gel

PROTECTIVE GEL FOR DIAPER AREA

- Protects your baby's sensitive skin against external influences.
- Nourishes the skin and moisturizes.
- Reduces skin tension and removes the dryness.
- Prevents rash and irritation.
- Easy to use.
- Alcohol and paraben free.
- Tested and approved by the German Dermatest Institute.

ACTO[®] Baby Gel is used to moisten the diaper area of your baby when you change the diaper. It is suitable for even the most sensitive skins with its non-irritating and safe formulation. It cleans and moisturizes the skin which helps to reduce the skin tension, preventing the formation of diaper rash by keeping the area clean and dry.

It is used to protect the sensitive skin of your baby from external influences, prevents the development of soreness or rash in the diaper area. It also nourishes the skin, prevents dehydration, reduces and eliminates skin tension. It is suitable for the most sensitive skin with its safe and non-irritating formulation. It can be used on the whole body except the face.

How to use:

Change the diaper and apply a sufficient amount of **ACTO[®] Baby Gel** by each diaper change. Repeat if needed.

Ingredients:

AQUA, PROPYLENE GLYCOL, GUAR HYDROXYPROPYLTRIMONIUM CHLORIDE, PANTHENOL, AMMONIUM LACTATE, POLOXAMER 188, POLYAMINOPROPYL BIGUANIDE.

PROTECTIVE HAND CREAM

- Used for skin care and moisturizing.
- Compatible with skin pH.
- Has a pleasant odor.
- Suitable for sensitive skin.
- Dermatologically tested and approved in the German **DERMATEST** laboratory.

Hands are the most exposed parts of the body to sunlight. **Actomed® Hand** provides in-depth care and protection against external factors.

With the vitamins and minerals in its formula, it ensures that the skin remains moist and soft. Protects the skin against external factors actively with its long-lasting effect.

How to use:

Rub it on your hands with several gentle circular touches. Suitable for all of skin types.

Ingredients: Aqua, Paraffinum Liquidum, Cetearyl Alcohol, Ethylhexyl Palmitate, Glyceryl Stearate, Peg-100 Stearate, Glycerin, Phenoxyethanol, Cetereath-25, Stearate, Glycine, Dimethicone, Perfume, Panthenol, Cyclopentasiloxane, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Ethylhexylglycerin, Tetrasodium Edta, Allantoin, Amyl Cinnamal, Coumarin.
